We have developed a School Improvement Plan (SIP) for the next 4 years, at which time it will be reviewed, as is the mandate set down by our governing body; Melbourne Archdiocese Catholic Schools (MACS). This SIP is available on our school website for those interested in viewing it.

In short:

We desire to be inspired by St. Mary MacKillop to follow Jesus.

We want all staff and students to witness to the Catholic mission

We aim for the children to be active, engaged and successful learners

We look to build the confidence and capacity of teachers, supporting them in their work.

Thank you for your confidence in our school and choosing to join us this year or choosing to continue your enrolment at SMMPS.

I am proud of our school and we will work with determination to care for and educate your children.

I trust we will all enjoy a wonderful, exciting and engaging year of learning and being together.
